BEFORE STARTING

-Read each step carefully before starting. It is very important that each step of instruction is performed in the correct order. If these steps are not followed in sequence, assembly difficulties will occur.

-Make sure all parts are included. Most board parts are labeled or stamped on the raw edge.

-Work in spacious area, preferably on a carpet, near the place the unit will be used.

-Have the following tools close at hand.

-Do not use power tools to assemble your furniture. Power tools may strip or damage the parts.

HELPFUL HINTS

- Call our toll free number if you need assistance.
- Compression dowels are tapped in with a hammer.
- Move your new furniture carefully with two people. Lift and carry the unit to its new location.
- Never push, drag or scoot your furniture (especially on carpet).
- Additional parts are available for a nominal fee.

ANTES DE COMENZAR

-Leer atentamente cada paso antes de comenzar. Es muy importante que cada paso de la instrucción se lleve a cabo en el orden correcto. Si no se siguen los pasos en el orden, dificultades pueden ocurrir.

-Asegurarse de que todas las piezas estén incluidos. La mayoría de los tableros están etiquetados o estampado en el borde.

-Trabajar en una zona amplia, mejor sobre la alfombra, cerca del sitio donde la unidad se utiliza.

-Tener a mano las siguientes herramientas.

-No utilizar las herramientas eléctricas para montar las muebles. Herramientas eléctricas pueden pelar o dañar las piezas.

CONSEJOS ÚTILES

- Llamar a nuestro número gratis para ayuda.
- Golpear la clavija con un martillo.
- Mover tu mueble nuevo con cuidado. Mejor con dos personas para levantar y llevar la unidad a la nueva ubicación.
- Nunca empujar, arrastrar tus muebles (especialmente sobre la alfombra).
- Piezas adicionales están disponibles por un costo nominal
